

2013 MOORING REGULATION CHANGES
SYNOPSIS
As Approved March 2013 2013

Helix Moorings

Requires written approval by the Harbormaster before placing and extends the out of water inspection from 6 years to twelve.

Mooring Buoys

Requires mooring buoys to be round and a minimum size of 11” and carry a new permanent mooring number. Phased in through June 2016.

Mooring Permit Dates

For 2014 season moves the mooring renewal deadline up to February 28 (from March 31) and the late period to March 31 (from May 14)

Consolidates the dates under “Mooring Permits” opposed to Individual, Rental and Transient sections.

Vessel Ownership

Requires the name of the mooring permit holder to be listed on the registration or documentation (for new permits and changes of vessels)

Transient Rental Moorings

Require annual use records to be submitted to the Harbormaster.

Special Event Permit

Creates a special event permit for short term use of moorings by an event sponsor.

Rental Mooring Permits

Creates a new rental mooring waiting list. This will initially be done through a lottery open to all existing waiting list applicants. (To be established in May/June 2013)

Waiting List Dates

For the 2014 season moves the waiting list renewal deadline to February 15 (from March 15).

Other

Cleanup language that is outdated, contrary or changed through other means. I.e. Waiting list fee changed during the 2009 fees hearing, the creation of new closed waiting list.
