2018 Beach Permit Request for School Groups
(Available for Town of Barnstable Public Schools only)

The permit is free for Barnstable Public School Groups. The School Group attending the beach is required to pay for the staffing on the day that they attend the beach. The check can be given to the staff person at the beach. Veteran's Park Beach and Sandy Neck (Bodfish Park) are the only sites that the bath house is open. Dowses and Covell's Beaches will have portable bathroom facilities.

Because of a Law called "Christian's Law", School Groups, at this time of year are not permitted to swim.

The Group is responsible for making sure the facilities are left as they are found. If you do not have a Barnstable Recreation seasonal employee at the beach, you will need to take your trash with you. Please bring your own trash bags. Thank you.
